Design and implement a user-friendly hotel management software with functionalities for room booking, guest management, and billing, focusing on efficiency and accuracy in operations while ensuring a satisfying guest experience.
- **Counseling Appointment Form** – Python – Tkinter, PostgreSQL – pgAdmin4
Develop a counseling appointment platform facilitating scheduling, session management, and client communication, aiming for streamlined counselor workflow, enhanced client accessibility, and confidentiality maintenance.
- **Bronchitis Detection** – Python, CNN-VGG16 Architecture, Transfer Learning, OpenCV
The Bronchitis Detection project is to develop an intermediate-level system capable of accurately identifying bronchitis through analysis of respiratory symptoms and medical data, aiding in timely diagnosis and treatment.

Courses and Certifications

- **Google Data Analytics Professional Certificate**- Present
- **ISRO**- Geodata Processing using Python
- **PreCat**- Preparatory Course For Entrance Exam
- Domestic Data Entry Operator
- Certification Course of English, Hindi, Marathi Typing

Soft Skills

- Leadership, Teamwork, Research, Integrity, Effective Communication, Adaptability, Flexibility, Creativity, Disciplined, Problem-solving

Education

- **Master of Science in Computer Science**
Department of Computer Science and IT, Aurangabad
07/2021 – 07/2023
- **Bachelor of Science in Information Technology**
Dr. G. Y. P. College of CS & IT, Aurangabad
07/2018 – 07/2021

Experience / Internships

- **Exploratory Data Analysis on Space Exploration Missions using Power BI (DA)**
Edunet Foundation and EY GDS-AICTE | 28/02/2024 – 16/04/2024
- **SKILLSBUILD FOR COLLEGES - 4 WEEKS VIRTUAL INTERNSHIP (AI & CLOUD INTERNSHIP)**
IBM SkillsBuild program and Edunet Foundation | 02/2024 – 03/2024

Achievements

- **CDAC Exam Jan 2024 – 3450 Rank**

Languages

- English, Hindi, Marathi

Hobbies

- Swimming, Cycling, Reading

Extra-curricular Activities

- Performed Social activity by NSS
- Participate MGM 6th Heritage Run
- Part of the **Independence Day Parade** in College level
- Participates in **Blood Donation Camps**
